

The Starrs on the Road

Independent Fundamental Baptist Evangelist
Edifying, Equipping, Evangelizing

“For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.” Isa. 55:8

On Christmas Day, we found ourselves in an emergency room at a Florida Hospital after finishing a great service with 5 souls saved in Pensacola. Randy apparently had an allergic reaction to something and could not breathe. After a CAT scan, the doctor came out and asked him if he had ever been diagnosed for lymphoma. Of course we were totally shocked!

This precipitated an appointment with an oncologist and further testing of lymph node and bone marrow biopsies which did indeed reveal **lymphoma**, but treatable and **80% curable!** The Pet Scan added that it has not spread to the lungs.

Needless to say, we did not expect this sudden detour, but we know the Lord doeth all things well, and His ways are not our ways! Randy has no symptoms but will start 20 weeks of chemo next week.

So, we are leaning on our friends and churches for great prayer support. We want God’s glory to be revealed and need wisdom for every single decision we now must make.

*“God is our refuge and strength, a very present help in trouble. **Therefore will not we fear...**” Psalm 46:1-2a*

Praises:

- ◇ The disease was found and is treatable.
- ◇ A great oncologist, Dr. Mary Li
- ◇ The main drug for the treatment (\$75,000!) donated to us FREE from the drug Co.
- ◇ Great reductions of costs on procedures through the help of our financial counselor, Michelle
- ◇ For our Great Physician, The Lord Jesus Christ
- ◇ Pastor Maddox asked Randy to preach last week
- ◇ Five souls saved in our previous meeting

Prayer Requests:

- More meetings here and strength to preach
- Circuit board for leveling jacks to replace
- Healing
- Finances from lost meetings
- Wisdom for decisions
- Be a testimony in RV Park & to medical personnel

Plea

We have no intention of quitting. This is just a detour. We thank all who have helped us with monthly support. God is using you to sustain us. This crisis is exactly the type of situation we foresaw where we need support.

Our goal for support has been \$2000/mo. We currently receive \$1000/mo. for which we praise the Lord. If you have thought of supporting us, this is the time we could sure use your help. We envision 21 more donors (8 @ \$25/mo., 10 @ \$50, and 3 @ \$100). Will you prayerfully consider partnering with us?
