

Summer Ministries

What a blessing to participate in a 6 day family conference with Pastor Wilbert Unger in early July in London, Ontario. We did not realize we would be celebrating their Independence Day the same week as ours! So much for the traffic in Toronto! We enjoyed teaching split ladies' and men's sessions before each evening service and thank the Lord for the decisions made throughout the week.

Thank You!

Thank God for Kevin and Tracey Unger and their printing ministry team who work so diligently behind the scenes to print our books, mail our books, and maintain our inventory. Only eternity will tell the many souls who have been influenced through their sacrificial ministry.

Big Red Speaks Out

“Well, it pays to speak out! I have been getting better treatment since we last spoke. They have fixed me, cleaned me inside and out, and even changed the oil! Miracles never cease! I have gained a little respect for these new owners and must admit that although they have stayed pretty busy they have not left me behind. But, they still have to remember - without me, they would be hitching a ride!”

After a few days with Shirley's mother, we continued to stay near our old stomping grounds with three Ohio meetings—the first with **Pastor Andrew Rusnacko** at Bible Baptist Temple in Euclid, OH. The Rusnackos have served this church faithfully for 38 years! The fellowship in their historic church was precious with good altar response. Following this, we were privileged to stay at the “House's Haven,” from which we had meetings with **Pastor Joel Royalty** in Broadview Hts, OH, and then his father **Pastor Ron Royalty** in Poland OH. What a privilege to fellowship with Pastor and Mrs. Royalty in their home with another missionary couple. We also enjoyed sweet communion with **Pastor and Mrs. House** (Pastor Royalty's assistant) in their home. It was refreshing to minister in music with Isaac and Abigail, Pastor Joel's two oldest children, plus the excitement of a large adult SS class with Pastor Ron Royalty. They had their largest attendance of the year that Sunday. This is the Royaltys' 29th year as Pastor of Gospel Baptist Church. As Pastor Royalty and I went on visitation together, he led a lady to the Lord at the door. Praise the Lord!
