

Fairhaven Baptist Church

Dr. Roger Voegtlin, Pastor

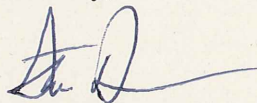

Dear Pastor Friend,

I have known Pastor Randy Starr and his family for over a decade. They are wonderful people, but more than that, they are exceptional Christians. His leadership in the pulpit has led Mt. Zion Baptist Church to be a great example of a Biblical church that honors God in doctrine and theology but does not forget the zeal of the Lord in winning the lost.

He has great discernment and a solid grasp of issues that are pressing against our churches to pull us away from the old-time gospel of Christ. He has served faithfully in Brogue, Pennsylvania, and understands the ups and downs of a strong ministry. He also has faithfully led his family, and they are a testimony to the promises of God in rearing a family in a compromising generation.

I would highly recommend your considering Pastor Randy Starr and his wife to come and be a blessing to your people. They have been a true blessing and challenge whenever they have been with our people. Their experience in ministry, family relations, and educational backgrounds make them a great asset for any ministry. I know that they would be a great help to your work. I am praying that God will cause this aspect of their ministry to flourish and will mightily use them for His glory.

Sincerely,

Steve Damron
Assistant Pastor
