MT. ZION BAPTIST CHURCH

Dear Pastor,

I would like to recommend to you the ministry of the Starrs. Through their many years of leadership the Lord has taught them many valuable lessons that would be a benefit to your ministry. Their lives have greatly impacted our church as well as our lives personally.

Pastor Starr has a heart for the ministry, a biblical philosophy and a fervent passion to win the lost. He has been an “example of the believers” and “a good minister of Jesus Christ, nourished up in the words of faith and of good doctrine”. He is an excellent teacher and preacher that gives much time to the preparation of his messages.

Mrs. Starr is a godly lady that demonstrates what a biblical wife and mother looks like. The Lord has also used her enthusiasm for reaching out to others to allow her to have great impact on the lives of multitudes of ladies. She would be an excellent speaker for the ladies of your fellowship.

I believe your ministry would be greatly blessed by having the Starrs exemplify Christianity and exhort your people by the Word.

Sincerely,

Keith Sweitzer
