

Fairhaven Baptist Church

Dr. Roger Voegtlin, Pastor

October 30, 2012

Dear Pastor,

I would like to strongly recommend that you pray about having Pastor and Mrs. Starr for a variety of meetings.

They are both well versed in the Scripture with decades of experience leading a church. There is none better when it comes to helping the family, and because of his background, they are experts on the subject of Pentecostalism. We have used them for conferences, teaching in the college, and men's or women's meetings.

They are old-time, independent Baptists who have raised their children for God and built a very substantial church in the middle of the country.

Thank you.

Sincerely,

Roger Voegtlin
Pastor
