To whom it may concern,

In 2013 I had the privilege of preaching at Mt. Zion Baptist Church in Brogue, PA, pastored by Dr. Randy Starr. The church is a growing vibrant church with an exciting ministry and the people were greatly responsive to God's Word. Soon after Dr. Starr went into full time evangelism turning the church over to his son, Chris, who had been the assistant pastor for several years.

In November 2013, Dr. Starr preached at our church, Hope Baptist Church, Sherwood, AR, and his messages were warmly received by our church and we found them greatly helpful. Shirley also spoke to our ladies and was a great encouragement to them as well.

Dr. Starr is a talented man and he and his wife, Shirley, have written helpful books, and both play musical instruments. Their desire is to see the lost saved, lives changed for God, and to be a help and encouragement to the pastor and local church.

Dr. Starr and I are friends and I greatly appreciate his ministry, and spiritual desire. I would encourage you to invite them to come to your church, visit their web site, and read their books. You will find their work a great encouragement and you will not be disappointed.

With a heart to glorify God and serving the God of answers,

Dr. Terry L. Coomer
