

# THE STARRS on the ROAD

SEPT/OCT 2017

Independent Fundamental Baptist - Evangelizing, Edifying, and Equipping

**Blessings Keep Falling and Abound!** Early Fall meetings began with a Shepherd's Retreat sponsored for pastors' and their wives by Pastor Chris Starr and Mt. Zion Baptist Church, our sending church. What a wonderful day of fellowship with God's servants: pastors, evangelists, and missionary friends centered around a Gatekeepers theme. It was quite a time of reunion to share ministry blessings and to be refreshed and recharged— to keep pressing on!

**Other Fall Blessings** September 17-21 found us with Pastor Steve Neff at Tabernacle Baptist Church in Tioga PA for a church growth meeting. Bro. Starr taught on various aspects of church growth for two nights, then preached in the other services. It was a joy to worship with these dear folks in their beautiful new building, witness God's hand during the invitations, and see our daughter and husband, Heidi & Dan Butler. A faithful friend & supporter, Steve Rowe surprised us at this meeting.

During the week of **October 1-4**, we had the pleasure of ministering in a Friend Day and a family conference at Freedom Baptist Church in Auburn, NY pastored by **Dave Dunbar**. It was a great blessing to see the altars full nightly after the Biblical preaching on God's plan for families. We praise the Lord for the move of the Holy Spirit and the faithfulness of the young couples during the week.

**Pastor Brandon Starnes** hosted a family conference **October 12-15** at Susquehanna Valley Baptist Church in Harrisburg, PA. Shirley was able to speak with the ladies twice Thursday, Randy the men twice on Friday, and preaching & skits on Saturday. We are grateful to the Lord for many decisions made throughout the weekend and for the enthusiastic response of the young couples.

"Just to tell you how wacky these people really are. Mrs. S put her cell phone in her pocket, and 5 minutes later it began ringing. She began looking all over for it, under the chair, on the table, etc. I don't know if it is safe to travel with them, but what can I do?"
