Dear Pastor:

I am excited and pleased to recommend my pastor and my father, Randy Starr. With over 38 years of pastoral experience, his wisdom, love for people, preaching and teaching will edify your local church. His tenure of 23 years as the pastor of Mt. Zion Baptist Church is a testimony of his faithfulness, stability, and fruitfulness in the ministry! I have had the privilege to serve under him as an assistant pastor for the past 13 years. In my experience, I could not have had a better mentor for the work of the ministry.

His pastor's heart combined with a commitment to be faithful to the Word of God and to lift high the cross is a treasure to be desired by the local church.

His wife Shirley will be a blessing to the ladies in your church as God has used her over the years to minister very effectively to both older and younger ladies here through teaching and counseling, praying and comforting, and meeting individual needs. She is an accomplished musician, prolific writer, Godly mother and grandmother, and has a heart for people.

I personally could not give any higher recommendation about anyone else than my parents. They are truly my heroes.

They both are prepared and experienced to serve the local church effectively in a variety of different ways. You will find their excellent spirits to be refreshing to you and your people. They love the Word of God and people!

Our loss here will be a great gain for any local church that is able to schedule a meeting with these choice servants of God! They will not disappoint you.

If you have any questions, please feel free to contact me.

Seeking to Serve,

Pastor Chris Starr
