

THE STARRS on the ROAD

NOV/DEC 2017

Ring out the Good News ! Merry Christmas !!

Grateful, Thankful, and Appreciative are words that fill our hearts at this most special time of year.

We are so thankful that God sent His Son to offer us the wondrous gift of eternal life. And we are so very grateful for you, our faithful prayer warriors and supporters who enable us to continue sharing the good news. Thank you! Thank you! Thank you!

Our late fall meetings took us to Indiana where we made three important stops. The first was in Angola where we met **Pastor Denver DeKeyser** and his family for an all day meeting and witnessed a great altar response to the preached Word. Then on to **Fairhaven Baptist College** where Shirley spoke to the ladies during their midweek service, and Randy taught a freshmen college boys' class on goal-setting. (You know how he likes his checklists!) Ice cream with some of our college kids & friends rounded out that visit. Then on to Jasonville with **Pastor Jerry Ross** and a Bible Conference Sunday sharing the pulpit with **Evangelist Rodger Bottrell**—tag team preaching! After that, we headed to the Lone Star state (TX) for two final meetings: one, a revival and Friend day with **Pastor Joe Grab** in Copperas Cove. We give praise to God for Lydia's assurance and Sarah's salvation. We got to see her follow the Lord in believer's baptism! A revival with **Pastor Robert Sperbeck** in Killeen finished our fall trip with a surprise doubling of our support to \$100/mo.! Many decisions were made. **Praise the Lord for full altars in all the fall meetings!**

Big Red Says Evangelist Becomes Purse Thief !

"I heard my owner was digging through a ladies' purse in Hburg thinking it was his wife's. The lady said she was going to see how long it would take him to realize it didn't belong to them. I wish I could have gotten a pic of him looking so guilty!" :D
