

**"You may break the clods, you may sow your seeds, but what can you do without the **rain**? As absolutely needful is the divine blessing."**

Charles Haddon Spurgeon

We have witnessed the **rain** of the Holy Spirit in a special way during the last round of meetings. Praise the Lord for His blessings!

## Ministry Update:

We arrived in Arkansas for an 8th anniversary service with Pastor Terry Coomer during flood conditions. God proceeded to **rain** down blessings with special testimonies, special music, and the preached Word throughout the day. In each church, we see brethren we've grown to love. Dr. & Mrs. Veach are two of those friends!

Following the long journey home, we had all day Sunday meetings at Life & Liberty Baptist Church in Walkersville MD with Pastor Ben Hays and at Capitol Baptist Church in Dover DE with Pastor T.H. Moore. We enjoyed a great time of games with the Hays children—a "grand-child fix" and rejoiced at the good altar response.

**More Showers of blessing** fell in response to the preached Word in Delaware and the salvation of a 14 year old boy after the evening service in DE as well as many other decisions.

## Prayer Requests:

- ◇ Pray for the harvest of souls, growth for the new converts, and the encouragement of pastors and wives.
- ◇ Pray for health, safety, support (at 68%), and traveling mercies.
