

# Alaska—God’s Creation

- 1. **Evangelizing** - We were able to hand out many tracts along the way to a grieving postal worker, hotel clerks, waitresses, besides the 5 meetings witnessing many various decisions during invitations.
- 2. **Edifying** - God enabled us to meet pastors in more remote areas and hear their ministry challenges due to culture and climate conditions. We were able to leave encouraging books and CD’s with them. Many don’t get to a more civilized area for supplies for 3-4 weeks at a time. It takes hardy, creative, & determined folks to minister in AK!
- 3. **Equipping** - God’s people gobbled up various booktable resources to help them grow in their spiritual walk, and each pastor and wife received a resources gift.

## God’s Special Servants in Alaska The Last Frontier!

The Patriarch

Pastor Duffett—Fairbanks

The Henrys—Delta Junction

McGoverns—Anchorage

Pastor Fickes—Valdez

Our first meeting began in Fairbanks with **Pastor Duffett** - a patriarch of the AK area, encouraging the younger pastors and guests with hospitality plus! Then on to Anchorage with **Pastor McGovern** who had just married

off his daughter and was in the middle of his summer camps. His loan of his car for 25 days was a huge blessing! A spontaneous preaching opportunity occurred with **Pastor Brian Fickes**, a 25-year veteran to the Valdez area followed by a 36th anniversary service with **Pastor Hull** at *Valley Baptist Tabernacle* in Palmer! -He & Randy love French toast. Our last Sunday was spent in Palmer with **Pastor Cardin** and his wife Pattie at *Manna Baptist Church*. Did we ever have the stories to share! All hosts were attentive to Randy’s gluten free diet.

The Severs family—Glennallen

### Big Red’s Take

“I can’t believe they left me for a whole month, but it was a rest from the constant chatter, the snack crumbs on the seats, and that peppy CD of men singing! Never fear—they will return!”

Pastor Gerasimof  
Homer, AK

Pastor & Mrs. Cardin—Palmer

Pastor Hull & wife Denise—Palmer

**Back Country Adventures:** During each week, we visited pastors in remote areas including: **Pastor Demlow** at North Pole-brief visit, **Pastor Henry** in Delta Junction - sweet fellowship with a meal, and **Pastor Severs** in Glennallen - a game time with the whole family & meal, a brief visit with **Pastor Kelly Cinereski** in Seward and a brand new pastor in Homer, **Jacob Gerasimof**, his first week of ministry. **Pastors Caleb Cinereski** in Kenai and **Wes Hudson** in Talkeetna were left special notes and gifts from “the lower 48!”
