## Praise God From Whom All Blessings Flow! Blessings Fell in Australia and the Philippines!

After a 13 hour flight from Dulles, a 6 hour layover in Beijing, China, and another 12 hour flight and many rice meals later, we met Pastor Eckels and Yolanda in Melbourne Australia for two weeks of jam-packed ministry. God has used Pastor Eckels to build a dynamic church, which hosted the NBF Conference of 500 Australian pastors and missionaries and families. We were thrilled to see the Lord move in the split sessions and the evening services as 2 people were saved, about 40 surrendered to full-time ministry, and scores re-dedicated their lives.

Randy was also able to minister in two Sunday services at Westside Baptist Church where Chris Eckels pastors as well as the Metropolitan Baptist Church in Sydney.

Thank you for your prayers and support.

# Philippine News!!!

The second leg of our journey began after an 8 hour flight from Sydney to Manila where we were greeted at the airport by none other than the Hardeckers for two more eventful weeks of ministry. We were able to minister through tract distribution, a ladies coffee hour, preaching in the service, and a baptismal service where papaw baptized "little Joe." We praise the Lord for 2 who were saved, Hannah and Lowella, and the 4 who were baptized. Another great highlight of our trip was meeting Bill's mother, Tess Hardecker. (see picture to right)

Hannah was gloriously saved.

**Big Red News**— "I was very unhappy to be left behind on this big trip of a lifetime. But then I heard they didn't like those little plane seats, the food, rolling the baggage around, the jet lag, ... Serves them right! But I have to

admit—there must be something to this prayer thing—as they returned home happy and healthy with all kinds of stories about what God had done."
