MINISTRY UPDATE

After our return from the BIG trip, we were privileged to be with Pastor Steve **Rogers** at Grace Baptist Church in **Oxford, PA** for a Sunday morning during their missions conference and give an update of our ministry and trip. What a sweet time of fellowship with the believers and with the Davis family who was participating in the conference.

December found us at Greater York Baptist Church, **York, PA** all day with Pastor Tom **Almanza**, ministering in music and the Word, and rejoicing with those dear believers over God's blessings.

In Starr Publications, we have also negotiated to reprint Ivor Powell's *Bible Names of Christ* and secured a number of new resources for our booktable.

FAMILY UPDATE

The Lord allowed us to have some "down" time in November for Bro. Starr to recover from his surgery to remove 3 patches of cancer. He faced several complications including an allergic reaction and trip to the ER, so we knew the Lord had ordained our steps. We redeemed the time down by writing 5 new books and encouraging pastors and their wives on the phone.

Well, when you think things can't get any worse, here I sit! I'm so lonely. They sure haven't been using me much which helps their gas budget, but I am not getting my exercise. The Mr. had surgery, so the Mrs. was driving me. Now, that is a dangerous thing as you well know! And now as if Alaska, Australia, and the Philippines weren't enough, I heard them say they will let me sit at home while they gallivant around in California and Arizona. Can't they ever slow down? At least Mr. was good enough to winterize me so I won't freeze in this northern PA weather. So, I will be waiting for their return! What else can I so? **Big Red** 😞
